# Static (Non-Livestock) Exhibits

## STATIC (NON-LIVESTOCK) STATE FAIR PROJECTS

Grundy County will be well represented in the 4-H Static Exhibit Building at the 2019 Iowa State Fair.

4-H and Clover Kid members who participate in Static (Non-Livestock) Exhibits are conference judged. They get a chance to visit with a judge about their project goals, what they learned, what they liked or disliked and what they would do differently. Grundy County is allowed to send 28 exhibits to the Iowa State Fair. Youth must have completed fifth grade to be eligible for selection. Youth in fourth grade may receive an Outstanding Junior awards for projects that would have been considered for state fair if they were eligible.

4-H'ers whose projects were selected to go to the State Fair are:

### ANIMALS

# Grundy County 4-H presents awards at the 2019 Grundy County Fair!

## IOWA STATE FAIR HALL OF FAME: JACKIE STEVENS

This is not just an act. Jackie Stevens is outstanding in giving back to youth in Grundy County. She was an active 4-H member growing up and getting to know others, working with others and learning from each other was an important part of her 4-H experience. She was a Mills County Indian Deerette, helped with fundraisers, traveled to the National 4-H Center in Washington DC, was an Iowa Photography Delegate to National 4-H Congress and held each of the offices in her club. Her record book is full of her 4-H history including photography, home improvement, food and nutrition, clothing, communication, citizenship and leadership activities. She continued on sharing her enthusiasm for 4-H with her two boys, became a member of the Grundy County 4-H Youth Committee, a ten-year Leader of Clay Busy Bees from 2002-2012 and has continued to volunteer with the 4-H building supervision at Fair. She continues to share her 4-H spirit through working with the theater club at the BCLUW high school. She is always willing to help and especially when it includes supporting youth in Grundy County. Jackie believes that 4-H has a whole lot to offer people both youth and adults. 4-H molded a lot of who she is because of the service, communication, leadership and character that it strives to instill in its members. We are very blessed to have had Jackie serve Grundy County!

## MENTOR AWARDS

Mentors provide an important link from kids to projects and experiences that they may not otherwise have. A mentor can be a parent, a friend, a grandpa, club leader, or other youth. Mentors give their time to teach, assist and do many other things to provide learning opportunities for youth. Curt Kyhl has served as volunteer and mentor in the Dairy Cattle program for many years. He supported his children while they exhibited and assisted his daughter when she served as a superintendent. He has since taken over the superintendent role and continues to support his children and many other youth in Grundy County. He continues to put youth education at the front of the program. He is always willing to lend a hand and promote 4-H in Grundy County.

## VOLUNTEER AWARD

Volunteers are vital part of the Grundy County 4-H program. The Volunteer Award recognizes volunteers who go above and beyond to educate, mentor, support youth in the 4-H program. Dave Deeringer has been a part of 4-H for many years serving as a 4-H parent volunteer, youth committee member and currently serving as a volunteer in a variety of ways. He is a strong advocate for educating youth in Grundy County and for the 4-H program. He recently served as Santa at our annual Record Keeping Award program. He is always willing to lend a hand and does it with a smile on his face.

## 4-H CLUB LEADERSHIP AWARDS

### BUCKINGTON BARNSTORMERS: ANDREW HOMMEL

"This young man has grown through his 4-H experiences. He is becoming a leader and someone the youth in his club can look up to, Andrew is willing to try new things at our club meetings. The club can always depend on a helping hand from him."

### LINCOLN JR. FARMERS: CARLEE DOVE

"Carlee is a great mentor for youth. She has a caring attitude and always willing to help others. She is a leader and a role model for younger members and we were fortunate to have her in our club."

### PALERMO CLOVERS: ELLA HOMMEL

This young lady is dependable and becoming a leader through her club, county 4-H council and at the State 4-H level. Ella is always willing to help others at meetings and county events. She has great ideas and is always willing to share them with others. Ella was recently inducted into the State 4-H Council at the State 4-H Conference this year and will be helping with various activities throughout the year.

### THUNDERSTORMZ: BRIANNA KRUGER

"Brianna is one of the most kind hearted kids you can have around. She never hesitates to jump in with any project we are working on during meetings and help any kid out. She always makes sure the younger members are having fun and finishing their project before she thinks of herself. She will help anyone do anything without hesitation. She's always cheerful and is great role model."

# Herdsmanship

The purpose of the Herdsmanship Award is to promote a cleaner and safer environment in the barns. Fair is a place where Grundy County 4-H and FFA animals are showcased. For many people who do not know much about animals and their behavior, care, etc; everything on the fairgrounds including our 4-H and FFA members should be the best it can be!

## FINAL RESULTS

**Champion Herdsmanship:** Grundy Center FFA

**Reserve Champion Herdsmanship:** Gladbrook-Reinbeck FFA

**Purple:** Lincoln Jr. Farmers, AGWSR FFA, BCLUW FFA, Buckington Barnstormers, Black Hawk Nighthawks, Palermo Clovers, Clay Busy Bees, Clever Clovers, The Thunderstormz

## Garden Show Winners

## BBQ Contest

Dennis and Theresa Jones of Hubbard were the winners of the BBQ contest and moved on to the state fair competition.

# Livestock Judging Contest

Participants are allowed 10-12 minutes to view livestock classes and evaluate the animals. Youth have an opportunity to place animals in those classes and write reasons on their placings. They are judged based on the placings and reasons. Classes are Market Swine, Breeding Swine, Market Beef, Breeding Beef, Market Lamb and commercial Breeding Ewes.
