Mary Lou Meester

1940-2022

Visitation was held from 5:00 p.m. until 7:00 p.m. on Friday, February 18, 2022 at Abels Funeral and Cremation Service, Engelkes Chapel, in Grundy Center, Iowa. A funeral service was held at 10:00 a.m. on Saturday, February 19, 2022 at the Pleasant Valley Reformed Church in Rural Holland, Iowa. There was a brief reception after the funeral service, and then burial at Rose Hill Cemetery in Grundy Center, Iowa. Memorials may be directed to the Lake View Camp in Pella, Iowa. Online condolences may be made by visiting www.abelsfuneralhomes.com

Mary Lou was born the daughter of David and Minnie Arends on September 19, 1940 in Sioux City, Iowa. She graduated from Parkersburg High School, Parkersburg, Iowa.

Mary Lou met the love of her life, Don Meester, while working for VanEman and Mulder attorneys in Parkersburg. On September 21, 1962 the couple were united in marriage at First Congregational Church in Parkersburg, where she served as pianist and organist for many years. She and Don made their home on Dutch Valley Farms in rural Holland, Iowa. It had been Mary Lou's childhood dream to live on a farm. There they raised three children, Donna, Jon and Evan in what she considered a fairytale life. When Mary Lou fell ill, she and Don moved to Omaha, Nebraska.

Mary Lou was a member of Pleasant Valley Reformed Church in rural Holland. She had a great love for music and could recite lyrics from almost any hymn, popular song or nursery rhyme. She had a great eye for style and loved shopping for clothing, jewelry and home décor. She was also a very talented seamstress. Mary Lou had an extensive antique doll collection for many years. She restored and dressed dolls both for herself and many others. Because of her daughter's affiliation with The University of Alabama, she and Don spent many winters in Tuscaloosa and became a huge Alabama football fan. She enjoyed the many car trips the family took and in later years with Don, having visited almost every state in the union, as well as Caribbean cruises with family. In her later years, Mary Lou became an avid fan of Search-A Word and was very good at it! Nana Lou treasured visits and playing games with her grandchildren, Blake and Bailey.

Sunday evening, February 6, 2020, Mary Lou passed away at Josie Harper Hospice House in Omaha, Nebraska of natural causes. She was preceded in death by her parents and one sister, Norma Faris and niece, Janet Heggebo.

Mary Lou is survived by her husband, Don, of Elkhorn, Nebraska; daughter, Donna Meester of Tuscaloosa, Alabama; son, Jon Meester of Davenport Iowa; son, Evan Meester (Jessica) of Omaha, Nebraska and two grandchildren, Blake and Bailey Meester of Omaha, Nebraska; nephew, David Faris of Cedar Falls, Iowa and niece, Cyndii Faris, Rochester, Minnesota.

Josh Meggers who is running for House of Representatives spoke under the Citizens Forum. He gave an update regarding his background and was going around meeting as many people as he could. He wanted to know of any issues concerning the City of Conrad and want they would want to be addressed. He wants to run because he wants to work on Economic Development in Hardin, Grundy and western part Black Hawk counties. He was asked about the one cent local option sales that the State is talking about including as part of their six percent sales tax. He did not want to comment until he could find more information on the subject. Discussion ensued regarding the impact that could have on cities.

Keisha Lockhart gave an update regarding the Park Board budget. Their primary request was increasing the guards' wages by one dollar (\$1) to be competitive with the surrounding communities. The starting wage for guards will be nine dollars (\$9) with .25 cents for each returning year. The increase would include head guards starting at ten dollars (\$10). The revenues were increased to accommodate this increase. The concern is that if the raise is not given that they will have staff shortages and guards not returning. Discussion ensued about the increase and if \$1 was enough. The elected officials discussed if the City should also pay for the guards training and certifications. Stansberry noted if they wanted to pay for the certifications she only needed verbal commitment to increase the training line item. Training schedules were discussed and they will be looking into these schedules.

Lockhart also discussed all of the changes from the prior year and the Board would like Pool Tech to help with opening and closing the pool. She also discussed the increases in lawn care. Martin asked if this was bid out of each year. Bruner said that he thought Pete Busch had posted it because he is the one that contacts the mowers. Stansberry said it had not been posted up at city hall for approximately four years. Martin thought we better post it next year.

Martin asked the park board about the long range planning regarding the pickle ball court. Bruner said the Park Board felt there was lots of activity at Reunion Park and that

Four Seasons was underutilized, had ample parking and it provides some closer play area closer to the other side of town. Paxson discussed that it was switched to Four Seasons because Stansberry said there could be lighting put there. Park Board was updated that the street lighting would not be enough for the pickle ball court. Martin said that they were wondering and wanted everyone's point of view but the decision would ultimately be the Council's decision.

Martin opened the public hearing for the Property Tax Maximum Levy Rate Fiscal Year Ending June 30, 2023 at 7:26 pm. He said there were no written or oral comments and no one present had any comments. Public hearing was closed at 7:27. Stansberry explained that this does not include the debt service levy and that this rate could be lowered because you cannot increase the amount. Dinsmore made a motion to approve Resolution #2022-06 to approve the Maximum Property Tax Rate for Fiscal Year Ending June 30, 2023. Brown seconded the motion. Resolution approved 5-0.

Martin opened the public hearing regarding the Budget Amendment for Fiscal Year Ending June 30, 2022 at 7:28. Stansberry noted there were no written or oral and no comments were made at the meeting. Public hearing was closed at 7:29. Stansberry noted that the budget amendment was due to the grants the City has been receiving from Derecho and AARP. Brown made a motion which was seconded by Frank to approve Resolution #2022-07 to approve Budget Amendment #1 for Fiscal Year Ending June 30, 2022. Resolution approved 5-0.

Dinsmore made a motion which was seconded by Schnathorst to approve Resolution #2022-08 setting March 29, 2022 at noon for the public hearing to approve the Budget for Fiscal Year ending June 30, 2023. Resolution approved 5-0.

Stansberry updated the cancel that the approval of the Zoning Map should have been done by an ordinance change instead of a resolution. It was brought back to Council for an ordinance change and repeal Resolution #2022-02 dated January 20, 2022. Brown made a motion to approve the first reading for the Revised Zoning Map for the City of Conrad. Schnathorst seconded the motion. Roll call vote 5-0 to approve the first reading.

Dinsmore made a motion to waive the second and third reading of the Revised Zoning Map. Kuhl seconded the motion. Roll call vote 5-0 to approve waiving the second and third reading of the Revised Zoning Map.

Schnathorst made a motion and was seconded by Kuhl to adjourn the meeting. The meeting was adjourned at 7:32 pm.
