Robert Nazario was present for the Citizens Forum. He is running for Iowa House District 54. He shared his background and discussed what platform he is running on.

Dinsmore gave an update regarding the Park projects. He explained that a survey was sent out to all of the residents and there was an online survey. All of the information from the surveys will be compiled. It will then be presented to the Park Board and the Visioning Committee to rank the projects based upon the survey results. Stansberry said there were 128 electronic responses and 66 paper responses.

Dinsmore made a motion to approve Resolution 2022-14 approving the amended pre-annex agreement with Kurt Steckelberg by removing item 8 from the original agreement. The motion was seconded by Frank. Resolution approved 3-0.

Stansberry discussed that the City had not released all of the retainage to WRH, Inc. due to alarms not working properly. A technician had come on site to fix when they started up the UV Light this spring. It had been subsequently fixed and the alarms are working properly. Dinsmore made a motion to approve Resolution 2022-15 to release the retainage amount of \$26,126.02 to WRH for the Waste Water Treatment Facility UV Light Project. The motion was seconded by Kuhl.
