Wanda became famous as the pie lady of Beaman where her husband Raymond and children moved to from Canada in 1962. Everyone loved the many pies she would make for Bingo nights and auctions at the Legion Hall. Wanda and Raymond loved to dance and that was their first date together. They would go to dances whenever they could and loved to polka, waltz, and square dance. Wanda enjoyed staying home with her children and being a wonderful and loving wife to her husband. Besides loving to cook and bake she loved to knit the many hats and gloves, scarves and sweaters for loved ones and friends. She also learned to crochet. Tamara Kay Garwood

1957-2022

Tamara "Tammy" Kay Garwood, 64, of Grundy Center, IA passed away unexpectedly on Thursday, January 27, 2022, in the comfort of her own home.

Following Tammy's wishes, cremation rites have been accorded. Public visitation will be held from 4:00 – 6:00 p.m. on Friday, February 4, 2022, and a short informal service at 6:15 p.m. at the Abels Funeral Home Engelkes Chapel located at 509 4th Street, Grundy Center, IA 50638. In lieu of flowers, memorial contributions may be directed in Tammy's name to Dike New Hartford Music Department or any local women's shelter of your choosing. For further information or to leave an online condolence please visit www.abelsfuneralhomes.com. Engelkes Abels Funeral Chapel is caring for Tammy and her family.

Tamara Kay Garwood was born on November 12, 1957, in Iowa, the daughter of Melvin and Marilyn (Klein) Grimm. She was raised and educated in the Dysart school district. Tammy was a very hard-working woman, first as a stay-at-home mom, then with Richelieu Foods Inc. in Grundy Center, Iowa. With the purchase of her house in 2015 her independence flourished. Her closet went from almost exclusively black and white to a colorful boho wonderland as did her courageous spirit.

She loved antiquing and spent many weekends traveling to antique shows. Real Deals in Cedar Falls also lost a great customer, as they knew her by name. She was meticulous in having her home clean and perfectly decorated (even when her cat Sophie viewed some of the decor as toys). Although fall was her favorite season, Christmas time was especially important to Tammy. For many years she and her daughter chose a name or two from the Boys and Girls Club to buy Christmas gifts for.

She was a voracious reader of romance novels and a viewer of the Hallmark Channel. Tammy was very proud of her family and loved them deeply. She would have done anything her daughters asked. Tammy actively supported the local music programs and enjoyed seeing the students grow. She brought joy to all with her soft-spoken words, infectious laugh, and extreme generosity.

Left to cherish her memory are her children: Shantel (Jeff) Garland and Macy Garwood; one sister, Brenda (Jerry) Baldwin; one brother, Barry (Tara) Grimm along with several nieces and nephews.

She is preceded in death by her parents, Melvin and Marilyn Grimm, and one brother, Dana Grimm.

Department representatives gave updates regarding their departments and the budget. Budgets for all departments will be approved during the normal budget process. Shane Jacobson represented the Library. He said they were requesting an increase of 3.9% over the prior year. They added a second student aide. He discussed that they would need a new assistant director in the next couple of years when the current director retires. He reported that patrons are at above 50% level from what they were pre-Covid. The middle school and high school students are the major group missing. Attendance is three times what it was a year ago. They want to get into checking out non-book/magazine items like leaf blower, telescope and board games. They are also planning a story walk around town that they received a grant for.

Stansberry update the Council that the museum budget was basically the same as prior years. They did have a capital item that would be funded through their museum account.

Stacey Hines gave the update regarding the fire department. They kept the budget request the same except utilities and insurance did go up. She spoke up their compressor that they need to get update. With the new air packs the current is not big enough. She discussed the volunteers are firefighter 1 and range in age from 65-80. The department had their

own class three years ago. A volunteer must be 18 before they can be a volunteer. They are currently having problems getting new members. They would like to have more fire fighter II's.

Krista Grant gave an update regarding BCERT. They have lost two members and have started a driving program with state training. They have to be certified as EMR or EMT within two years. They are trained in CPR, mandatory reporter and other training as soon as a volunteer signs up. She said their budget increase asking went up in wages and clothing due to having additional volunteers and a new volunteer when the individual turns 18. In 2021 they had 201 calls which were high in people falling. They currently have 27 calls for 2022.

She explained that the Visioning Committee would like to get grant dollars to fund (or help) the projects that they have identified through the Iowa Living Roadways Community Visioning grant. The agreement is for a not to exceed \$1,000 per grant. These are very competitive grants and some that have been identified IN-RCOG does not write.
