Jeannette Caroline Voss

19934-2022

Jeannette Caroline Voss passed away on the 31st of January 2022, after a long and complicated battle with congestive heart failure at the blessed age of 87.

Jeannette was the oldest child of Edward and Margaret Purvis of Lincoln, Iowa. She was born on December 15th, 1934. She graduated from Grundy Center High School in 1952.

Jeannette met her husband (Paul Voss of Grundy Center) at the Grundy Center roller skating rink that used to be located west of town. They were united in marriage on April 6, 1956, at the American Lutheran Church in Grundy Center. Jeanette and Paul had two daughters: Paula and Pam. Jeannette and Paul's love story spanned a beautiful 63 year of marriage; and an infinite number of stories, laughs, and wonderful memories.

Jeannette was employed at the Grundy County Courthouse as a 1st Deputy Treasurer from 1966 until her retirement in 1997, after 31 years of dedication and service. She loved her job and the people she worked with; Jeannette and her husband shared many good times with friends and they loved reminiscing about their working days and all of the wonderful people they met.

Jeannette was a great cook and gardener of vegetables and flowers. She was a friend to many, and a stranger to no one. Jeanette will be greatly missed by her family, friends, and all who knew her.

Jeannette had 5 grandchildren: Vincent Larson, Daniel Larson, and Thomas Larson, Samantha Connolly, and Matthew Connolly. She also has 2 great-grandchildren: Aubrey and Maya Larson. There was and will always be a mutual love between the grandchildren and their Grandma. Grandma/Great-Grandma Jeannette would entertain the grandchildren with park adventures and movie nights. Jeanette was a loyal sports fan to her grandchildren and was always present at their baseball and soccer games. There was NOTHING Grandma would not have done for her grandbabies.

Jeanette is survived by her daughters Paula (Fred) Larson, Pam (John) Connolly, sister Peggy Lamb, and brother Paul (Kay) Purvis. Grandchildren: Vincent, (Jazlynn) Larson, Daniel Larson, Thomas (Alivia) Larson, Samantha Connolly. Great Grandchildren: Aubrey and Maya Larson; as well as many nieces and nephews.

Jeanette was preceded in death by her father (Edward), mother (Margaret), brother (Richard), grandson (Matthew) and husband (Paul).

Graveside services will be held at a later date in the spring at Rose Hill Cemetery in Grundy Center.

Services: at a later date in spring, at Rose Hill Cemetery

Obituaries

James R. Schaa

1936-2022

James R. Schaa died Sunday, January 23, at the age of 85. He was a 20-year career U.S. Air Force veteran and an accountant at the Arkansas Department of Health for 15 years. He was a devoted husband and a doting father.

James was born September 15, 1936, in Marshalltown, IA, to Heye B. and Elma Mae (Rouse) Schaa. He was an only child, but he joked that he was raised by the community of Grundy Center, IA, as his mother had eyes everywhere in town, and he couldn't get away with anything.

He is survived by a son Bruce (Wendy) of Hillsboro, NM; a daughter Ruth of Pocahontas, AR; and various cousins who reside in Iowa.

He was preceded in death by his wife of 64 years Villa Ann Statler Schaa and his parents.

James graduated from Grundy Center High School. After graduation he joined the USAF; he completed basic training at Lackland AFB, TX, and he was assigned as a records clerk in the hospital's Radiology Department. He met his future wife, a USAF Airman 1st Class. His tours of duty included Chambley AFB, France; Southeast Asia during the Viet Nam War; Holloman AFB, NM, where he was a Boy Scouts leader, a chairman of the local PTA chapter, and an usher/accountant for the Protestant congregation; Andrews AFB, MD, where he was Sergeant Major of Malcolm Grove Medical Center in the administrative office.

When he retired as a Senior Master Sergeant, James used the GI Bill to attend college at the University of Central Arkansas; he earned a BBA in Marketing with an Accounting minor. He began his first semester of graduate studies when he was hired by the Arkansas Department of Health as an accountant. He frequently testified before the Legislative Audit to explain the budgets and the expenditures of the Department of Health, especially the county home health nursing program.

After retiring from the Department of Health, James and his wife would walk for miles throughout Conway. Local renovation crews invited them to inspect the houses that were being remodeled and being built. People who saw them on their daily walks referred to them as the "walkers."

James will be cremated and inurned at the National Military Cemetery in Fort Smith, AR, where his wife is also inurned.

Instead of floral arrangements, donations may be sent to the Air Force Memorial in Arlington, VA, or the American Humane Society.

Obituaries

Faye Eileen Smith

1929-2022

Faye Eileen (Wooten) Smith passed away Tuesday, February 22, 2022 at the Iowa River Hospice House in Marshalltown.

Funeral services were held at 11:00 Saturday, February 26, 2022 at the First Presbyterian Church in Conrad. The burial will be at the Vienna Cemetery. The visitation was February 25 from 5:00-7:00 at the First Presbyterian Church in Conrad. Memorials may be directed to Iowa River Hospice, Vienna Cemetery, or the First Presbyterian Women in Conrad.

Faye Eileen Wooten was born of Kenneth and Rosella (Reece) Wooten on a farm near Union, Iowa, in Hardin County. She was the youngest of five children. She attended school in Union, graduating with the class of 1946.

Faye was united in marriage to Dale W. Smith of Beaman, Iowa in Union, Iowa on December 4, 1948. They moved to the family farm near Beaman and continued to live there until Dale's death in 2006. Faye remained on the farm until 2017 when she moved to Conrad.

Faye was actively involved in farming, including book-keeping, her whole life. Faye volunteered at MMSC Hospital in Marshalltown for twenty-six years as a greeter-escort. Faye was an active member of the First Presbyterian Church in Conrad. The Vienna Cemetery Association, and the Conrad Community Action Fund Organization. She enjoyed puzzles, bingo in Beaman, and her get togethers with her friends.

Dale and Faye enjoyed following their children's school activities as well as their grandchildren's in recent years.

Faye is survived by her five children, Marla Smith, of Colorado, Gary (Kathy) Smith, of Arizona, Mark (Patricia) Smith, of Marshalltown, Brad (Jane) Smith, of Beaman, Mary (Rollie) Sumwalt, of South Carolina, fifteen grandchildren, nineteen great-grandchildren, and many beloved nieces and nephews. She is preceded in death by her parents, her husband, Dale, her siblings, Eldon, Lorena, John, and Charlene, grandson-in-law, Michael Sponsel and great grandson, Austin Padilla Sponsel.

Services: 11:00 a.m. February 26 at First Presbyterian Church in Conrad

PROCEEDINGS: BCLUW

February 21, 2022

The BCLUW Board of Education met in Regular Session on Monday, February 21, 2022 at 5:00 p.m. in the Media Center at the BCLUW Middle School in Union. Answering Roll Call was Board President: Todd Pekarek, Board Vice President: Adam Probasco, Board Members: Brian Feldpausch, Brent Schipper, Alan Donaldson, Stacey Stover and Mindy Ashton. Also present was Superintendent: Ben Petty, Board Secretary/Treasurer: Paula Benson, High School Principal: Jackson Anderson, Middle School Principal: Dirk Borgman, Elementary Principal: Mitch Parker, Athletic Director: Lynn Silver and Teachers: Karen Hammers, Danielle Shadlow, Darci Steckelberg & Kim Geelhart. Also attending was Boston Gunderson and Gary Lass of Solar FX. There were also patrons of the community attending.

AGENDA: Motion by Feldpausch, second by Stover to approve the agenda as presented. All ayes. Motion carried.

MINUTES: Motion by Feldpausch, second by Schipper to approve the minutes of the January 6, 2022 and January 17, 2022 board meetings. All ayes. Motion carried.

REVIEW OF MONTHLY FINANCIAL REPORTS AND APPROVAL OF ACCOUNTS PAYABLE: The financial reports were reviewed and expenses were looked at and compared to last year at this time. Motion by Stover, second by Donaldson to approve the financial reports and payment of invoices, including the additional bills, as presented. All ayes. Motion carried.

POSITIVE SHARING: Middle School Principal Dirk Borgman shared Mrs. Shadlow had her STEM students build and race boats in their artificial pond set up in the gym hallway. Students had to design their sailboats out of simple materials and use a fan to race them. The object was to see if their boats would float and move forward. During home-room students competed in a Winter Olympics which included Cotton Ball Scoop, Junk in the Trunk, Marshmallow Toss, Stack'em Up, Pven Mitt Race, Mummy Unraveled, Pantyhose Bowling and Water Bottle Flip. The 100th day of school was celebrated with students having to race to put a 100-piece puzzle together and also some students and staff dressed up as "100-year-olds". Mr. Borgman also shared that illustrative math teachers, Mr. Paugh, Mrs. Rhinehart and Ms. Riens have been working at discovering resources available online. They have found videos that instruct how to do the lesson and post them on google so if students are absent, they can use them and also for students to review. DARE Chief Deputy JD Holmes has started this year's DARE classes. The curriculum has really evolved over the years to keep it appropriate for today's students. Deputy Holmes has a great ability to connect with the students. The 8th grade ACES went to state FLL at ISU. The students had a good day presenting and seeing other top teams. High School Principal Jackson Anderson shared Blue Apples students presented their projects to multiple staff members as part of their final. They showed an impressive amount of maturity and were well prepared to answer questions and discuss their learning process throughout the term. Comet Café students have been busy

marketing the café, running practice meals, and setting up the café. Industrial Technology students have been working with Mr. Purvis and creating some very impressive projects with the CNC machine. Mrs. Hinegardner has done a great job reaching out to local resources and bringing in experts into her health courses. Some speakers include JD Holmes, Hardin County Sheriff's Office, Angie Paxson from the YMCA and John Richter, Physical Therapist. Mr. Anderson also shared the following students have been invited to the NICL All Academic Banquet to represent BCLUW:

Boston Gunderson, Mason Engle, Allison Engle, Autumn Sharpe and Fiona Speicher. These students rank in the top 5 of the Class of 2022. Mr. Anderson then spoke briefly on the high school trimesters. There have been additional classes that have been added including Comp 1, Comp II, World War II Literature, Creative Writing, and Healthy Choices. Next year the high school will be looking at adding Biological & Health Science Careers, Computer Science and a Criminal Justice course. Mr. Anderson also spoke about the math department and proposed that we alter how credits are assigned in a year-long course or have it written into the handbook that students are required to take 3 years of math. Mr. Anderson invited all of the Board to a "Back to School Project" on 4/1/22 from 7:45 a.m. – 12:30 p.m. It's a project to collaborate with stakeholders to enhance education at BCLUW, promote partnerships with the community and understand shifts in student dynamics. Elementary Principal Mitch Parker shared to further connect our Leader in Me program and the meaning of the 7 Habits, there was a 7 Habits Bingo Challenge for families. Not only were the families able to live the habits with their children, there was also a fun movie night gift pack drawing for those families that completed and returned the card. There was a mini-dance marathon held and cookies were sold. Close to \$1,400 was raised for the UNI Dance Marathon/Iowa City Children's Hospital. Students also got to dress up as twins for this day. Mr. Parker also shared that 70 students are in new leader jobs in the building for the 3rd quarter. The elementary goal is to help students develop their leadership skills and take pride in the elementary. Mr. Sommerlot led the annual Kids Heart Challenge with the 4th grade students. Healthy heart and brain habits were reinforced and the students raised over \$750 for the American Heart Association. A Care 4 Kids program was organized where all students in preschool through 4th grade received instruction from the education coordinator from Child Abuse Prevention Services. The program is a health education and violence prevention curriculum. Mrs. Shultz and Mrs. Higgins continue to work with students at multiple grade levels in Title I Reading and Special Education Reading to assess the students on comprehension of the stories they are reading. Through the LLI Reading Program, students are able to read throughout the week, and then show their understanding through uniform reading assessments.

2020-2021 SUMMARY OF ACTIVITIES: Athletic Director, Lynn Silver went over the 2020 -2021 summary and highlights of the activities and

awards of the program. In jr. high this year there was a split season so that student athletes could try basketball and also wrestling this winter. We are in the midst of the transition to the Iowa Star Conference and coaches are excited about that. The 2022-2023 schedules are almost complete for the new conference. Mr. Silver also spoke about the remodeled weight room and how well the lifting and workouts are going in the center now that we have hired a weight trainer, Luke Sommerlot to work with the kids. It has made a very positive impact. Mr. Silver said some of the challenges have been filling coaching positions, and noted that we have several citizen coaches. There is also a shortage of referees and the cost is continually going up for referees. There is a need for bus drivers for activities and for concession stand workers and ticket takers. Mr. Petty thanked Mr. Silver for all of his hard work and hours spent as our athletic director.

FCS CURRICULUM REPORT: FCS teacher, Karen Hammers gave the curriculum report. She has 6 classes and a prep each day. She teaches 75% of the time and is the district technology coach the other 25% of the time. The courses Mrs. Hammers teaches is: FCS I, FCS II, Life Management, Job Prep, Basic Foods, Comet Café and Parent & Child. She is also the FCCLA sponsor. FCS falls under CTE which is Career Tech Education. It is not a required course but courses offered to the students are very important. It provides students of all ages with the academic and technical skills, knowledge and training necessary to succeed in future careers and to become lifelong learners. FCS stimulates students to manage the challenges of living and working in a diverse global society. In FCS I, students learn about relationships with family, friends and dating, there is an intro to cooking and personal development. In FCS II, students learn about design of clothing with fashion and sewing/clothing construction. Students also learn about design in housing, elements and principles of design, interior and exterior design and also furniture design. In Life Management students are taught about people skills, taking charge of your life and there is a simulation where students have a job, deal with money and problems, relationships, education and training. In Job Prep, students learn about career planning and research, education and training, applying and interviewing for a job and getting a professional job. In Basic Foods students learn kitchen principles, cooking terms, nutrition, meal planning and cooking lab experiences. In the Comet Café class, students create and implement the Comet Café. They learn career skill and make a business plan. In the Parent and Child class, students study child development, talk about teen pregnancy, newborns, the first year, toddlers and preschoolers. There is a program, BTIO which is Baby Think It Over, where students have a computerized baby they take home over night. Mrs. Hammers can see how often the baby is picked up, changed, fed, comforted. The average class size in FCS classes is 16 students with an equal number of male and female students.

REVIEW MIDDLE SCHOOL FACILITY NEEDS: Mr. Borgman gave the school board a tour of the middle

school facilities. The floors continue to be updated with the epoxy flooring, with several more floors needing to be replaced. Some floors still have carpet on them. Because there is asbestos in the glue, the asbestos has to be professionally removed, before the floors can be replaced with the epoxy. In the science room, there is a need for work stations with storage. Kids are now working at tables. The work stations would have bins so computers could go down below in bins so that chemicals don't spill on them. The Board went into the locker rooms that have the original 1978 lockers in them. Most of the showers barely work due to hard water and the floors are bare concrete.

It would also be nice to have updated lighting to LED in the locker rooms and gym.

In the lunchroom the tables don't have hydraulics and some of the seats are broken. Every grade level eats with their own class so there are up to 46 students in the lunch room at one time. Mr. Borgman would like to see all round tables in the lunch room for students to sit and eat together. Next was the 5th grade building, there is one restroom and bathroom in this complex. Mr. Borgman also mentioned the roofs are getting old and the lower roof has had numerous patches.

CONSIDERATION OF TERM SHEET AGREEMENT WITH WATTHUB RENEWABLES: Boston Gunderson and Gary Lass of Solar FX spoke to the board about consideration of a term sheet agreement. Boston spoke to the board back in July of 2021 about the possibility of adding solar panels to the elementary program as part of his Blue Apples project. The agreement is of no financial obligation to the school district and doesn't commit the school district to anything.

Motion by Stover, second by Probasco to sign the consideration of term sheet agreement with Watthub Renewables. All ayes. Motion passes.

5 YEAR FORECAST DISCUSSION: Mr. Petty gave an overview of BCLUW's financial status and commented that we have managed finances very well considering our enrollment has dropped 25% in the last 20 years. Our high school grades are much larger than our elementary grades and we are continually on the budget guarantee, most years. We do receive supplementary weighting from shared positions and also receive some supplementary weighting for college courses that students take. The State implanted a Transportation Equity program a few years back to help rural schools and it provides additional funds to districts whose average transportation cost per pupil exceeds the statewide adjusted average. In 2022-2023 that amount for BCLUW is \$205,078. We have put ourselves in a good position over the last several years but we know with declining enrollment our UAB, Unspent Authorized Budget, is going to start dropping in the next few years and the board will need to have some serious conversations.

Stacey Stover exited the meeting at 8:08 p.m.

CONSIDERATION OF ASBESTOS BIDS AND DEMOLITION BIDS – BEAMAN GYM: We went through a third-party company to get bids on what it would cost to remove the asbestos and received 4 asbestos removal bids and also two bids for the

demolition of the Beaman gym after the asbestos is removed. There were questions from the board about the possibility of getting additional quotes for demolition, could we try and sell the building, as an option, could we move the baseball field over to Conrad as another option.

Motion by Feldpausch to accept the bid from Mid-Iowa Environmental Corp. for the removal of the asbestos and to accept the bid from MD Construction for the demolition of the Beaman gym. Seconded by Aston.

Roll Call Vote: Feldpausch, Ashton, Pekarek – Ayes. Probasco, Schipper, Donaldson – Nays. Motion did not pass.

CONSIDERATION OF PURCHASE OF STAFF MACBOOK AIRS: Motion by Donaldson, second by Probasco to purchase 60 new MacBook airs for all administrators, teachers and secretaries in all three buildings. All ayes. Motion carried.

CONSIDERATION OF PURCHASE OF CHROMEBOOKS FOR GRADES 2, 5 & 9: We would like to purchase Chromebooks for grades 2, 5 & 9, each year. The Chromebook would follow the student through elementary. In 5th grade the student would receive a new Chromebook and again in 9th grade.

Motion by Feldpausch, second by Ashton to approve the purchase of Chromebooks for grades 2, 5 & 9. All ayes. Motion carried.

PERSONNEL: Motion by Schipper, second by Feldpausch to approve the following:

The resignation of Mitch Parker as Elementary principal, Assistant HS football coach and also Assistant HS baseball coach prior to the 2021-22 baseball season.

The resignation of Sherry Petty as Instructional Coach and Success Coordinator effective the end of 2021-2022 school year.

The resignation of Jackie Kriegel as shared BCLUW/GMG Elementary Counselor effective the end of 2021-2022 school year.

The resignation of Ashley Wilson as the basketball cheer coach effective the 2022-2023 school year.

The resignation of Lynn Silver as the assistant high school track coach effective the 2022 school year.

All ayes. Motion carried.

Motion by Ashton, second by Schipper to offer a contract to Nicole Lutes as the assistant high school track coach effective the 2022 track season. All ayes. Motion carried.

APPROVE THE 2022-23 TRANSPORTATION SHARING AGREEMENT: Motion by Probasco, second by Feldpausch to approve the 80/20 sharing agreement for Nolan Starn as transportation director with BCLUW/GMG for the 2022-2023 school year. All ayes. Motion carried. This will now be sent to GMG for their review.

CONSIDERATION OF TEACHER STUDENT LOAN REPAYMENT INCENTIVE: This was tabled until next month.

PUBLIC HEARING – 2022-2023 SCHOOL CALENDAR: The public hearing was held at 9:17 p.m. - No public comment was made.

2022-2023 SCHOOL CALENDAR: Mr. Petty had sent out a survey to staff to see if they preferred a one-week spring break or a three-day spring break. Almost 70% of the staff said they preferred a full week spring break. Board members asked that the administration revisit the middle school block scheduling and possi-

bly look at trimesters instead. They asked that the parents and students were also possibly surveyed to get their thoughts on block scheduling. Mr. Borgman said students are given "brain breaks" every so often during the 88-minute block and are staying engaged and that the majority of the middle school staff like the block scheduling. Mr. Borgman invited school board members in to observe the block scheduling and he said the middle school would look at it again this spring.

Motion by Donaldson, second by Feldpausch to approve the 2022-2023 calendar with the full week of March 13-17, 2023 spring break. All ayes. Motion carried.

APPLICATION FOR COOPERATIVE SPONSORSHIP OF SWIMMING, TENNIS AND BOWLING WITH MARSHALLTOWN CSD: Motion by Feldpausch,

second by Schipper to approve the renewal of the cooperative sponsorship with Marshalltown for swimming, tennis and bowling. All ayes. Motion carried.

FUNDRAISER REQUEST: Motion by Donaldson, second by Ashton to approve the following fundraisers:

National Honor Society/Blue Apples – Letter Winners Carnival

Drama Department – would like to complete a fundraiser to help with production costs to put on the play, selling Comet hats and cinch bags.

Middle School – Fundraiser for a dance marathon for the University of Iowa Dance Marathon.

All ayes. Motion carried.

APPOINT BOARD SECRETARY/TREASURER: Motion by Ashton,

second by Probasco to appoint Leah Woivood as the BCLUW board secretary/treasurer for the remainder of the 2021-22 school year. All ayes. Motion carried.

Board President: Todd Pekarek swore her in.

DISCUSSIONS/REPORTS

Mr. Petty spoke on what state aid looks like it with the increase in the state's public education budget for fiscal year 2023 being set at 2.5% increase per student and also an additional \$5/student was added to try to get all districts at the same district cost per pupil.

NEXT MEETING: The next regular meeting of the board will be held at 5:00 p.m. on March 14, 2022 at the Elementary School Media Center in Conrad.

ADJOURNMENT: Meeting was adjourned at 9:50 p.m.

Todd Pekarek, President

Paula Benson, Secretary/Treasurer

Regular Session

February 21, 2022

A regular session of the Grundy Center City Council was called to order at 6:30 p.m. on Monday, February 21, 2022 in the Council Chambers by Mayor Eberline.

Present: Smith, Kuester, McDonald, Rasmussen and Lamp. Absent: None. The City of Grundy Center held this regular city council meeting in person and electronically via an online meeting or conference call. Please join my meeting from your computer, tablet or smartphone. <https://meet.gotomeet.com/541473597> You can also dial in using your phone. United States: +1 (872) 240-3311 Access Code: 541-473-597.

Kuester moved and Rasmussen seconded the approval of the meeting agenda with no conflicts of interest. Motion carried five ayes.

Smith moved and McDonald seconded the consent agenda consisting of: approval of the minutes of the regular meeting held Monday, February 7, 2022. No further discussion, motion carried five ayes.

Mayor Eberline asked to strike item #5, the annual update from Jeff Carson, GCMU Manager.

Mayor Eberline acknowledged County Sheriff Kirk Dolleslager and opened a discussion on dispatching fees for Ambulance and Police Department. Dolleslager commented on surrounding cities within Grundy County are charged for dispatching in the 28E agreements with Grundy County. Dolleslager noted private ambulance services such as UnityPoint (Marshalltown) and MercyOne (Sartori) all pay their respective county a fee for dispatching. BJ Jorgenson spoke of call volume statistics from 2016 versus 2021, 617 and 900 respectively. Dwight Gilem, Grundy Center EMS Director, was acknowledged by Mayor Eberline. Gilem also spoke of the privately owned services paying dispatching fees. Gilem commented if our EMS service would not continue to service the County residents, the residents may have to wait for an ambulance to arrive from Waterloo or Marshalltown. Gilem mentioned that last year the Ambulance Department received less than \$10,000 in taxation revenue. Dolleslager commented that these fees were put into play prior to his department raises being determined. Mayor Eberline asked if there would be any flexibility in the fee for the Ambulance Department. Dolleslager said no, the fee is a great deal lower than others are however is willing to defer until the next year.

Nathan Kappel, Ambulance Board

PROCEEDINGS

member, commented that he feels they have done great things by building the Ambulance Services over the years and almost feels like a punishment from the County in doing so. No further discussion, no formal action taken.

Mayor Eberline introduced John Gade, Fox Strand, Inc., to discuss the 2022-23 Water Main Replacement Project. Gade commented that the preliminary designs, SRF application, utility mapping, etc have all been accomplished. This project will include about one mile of water main replacement five different project areas throughout the City. The projected areas are: PROJECT AREA 1 – F Ave (end of road to 2nd St) & 200 block (F Ave to E Ave) & E Ave (200 & 300 block); PROJECT AREA 2 – 2ND ST (C Ave to D Ave); PROJECT AREA 3 – H Ave (14th St to 10th St); PROJECT AREA 4 – 5th St (M Ave to K Ave); and PROJECT AREA 5 – B Ave (4th St to 5th St), 5th St (A Ave to B Ave) & A Ave (5th St to 4th St) & Mill St (501 Mill St to Richelleu Foods). This project as a whole will give 63 homes new water mains. Gade explained it would be very beneficial to add a loop of 8" water main from Mill Street to the north of Richelleu Foods. This loop will need environmental and SRF approval first. Gade explain in order to complete this project the City will need permanent and temporary easements with Bethany Presbyterian Church and the property owner of 308 E Avenue. The Council will need to determine a fair price to offer for these easements prior to March 21, 2022. Once easements are secured, plan is to accept bids on April 12 and award the contract at April 18, 2022 meeting. Gade explained that flexibility will need to be built into this project may start in 2022 and have to finish in 2023 due to material lead times.

McDonald moved and Lamp seconded action on Resolution 2022-14, a resolution to set a public hearing for March 21, 2022 for the City of Grundy Center easement acquisition for the 2022-23 Water Main Replacement project. No further discussion, motion carried five ayes.

Mayor Eberline acknowledged Clerk Sawyer for a discussion on the fiscal year 2023 annual city budget. Sawyer commented on the department budget requests for the General, Special and Enterprise Funds. Sawyer explained that 6% wage increases were built into each department budget; cost for an updated Comprehensive Plan and seven months of rent to Maroon & White, Inc were all

included. Sawyer then presented the FY23 City budget certification showing that with the department requests and current debt service the property tax levy would be \$15.69598/\$1000 assessed value which is \$.19/\$1000 assessed value lower than current year property tax levy. Sawyer presented two more options where the City could levy for more debt service to prepay on some GO Bonds: 1) \$10,000 more debt service would change the property tax levy to \$15.78631/\$1000 assessed value or 2) \$15,000 more debt service would change the property tax levy to \$15.83147/\$1000 assessed value. Sawyer explained the Council needs to determine what the property tax levy should be, the budget is balanced with the lowest levy. Smith commented with the increased property tax valuations this year, the City should not tax more than is needed. Smith moved and Rasmussen seconded action to proceed with publishing for a public hearing to certify the FY2023 Annual City Budget with the property tax levy of \$15.69598/\$1000 assessed value. No further discussion, motion carried five ayes.

Mayor Eberline opened the public forum at 7:48pm. Lennard Stephen, 309 2nd Street, thanked the Council for proceeding with the water main project in his neighborhood and on proposed wage increase for the EMS Director. No further public comments, forum closed at 7:55pm.

Finance Committee/ Clerk commented on next meeting will have a presentation from City Auditor, CMS Director and Tyson Albright.

Public Safety Committee commented on annual calls for services statistics, applicant turned down the police officer position, testing for other applicants and "Back the Blue" law signed by Governor Reynolds.

Public Works Committee made no comments.

Mayor Eberline commented that he met with the City Attorney to discuss the agreement on the Sports Complex with the School District.

Kuester moved and Smith seconded of the meeting at 8:15 pm. Motion carried five ayes. Next meeting will be Monday, March 7, 2022 at 6:30pm.

Attest: Kristy Sawyer, City Clerk

Dr. Paul Eberline, Mayor
